

Whitworth Community Presbyterian Church is a place that seeks to help God's people become connected.

We seek to help you become better connected to Christ.

Everyone is at a different place in his or her walk with the Lord. Our Spiritual Formation ministry is here to help you develop a closer relationship with God as you grow as His faithful disciple. At the same time, the core of our worship is our heartfelt desire to provide each believer with an opportunity to express love for God in a way that is Christ centered, biblically anchored, spiritually empowered, historically connected and culturally relevant.

We seek to help you become better connected to Christ's Community.

We were made for fellowship and were never intended to go it alone. The church is one of the few remaining places where people from various backgrounds and interests can gather for study, fellowship and the receiving or giving of care. For this reason, we strive to offer regular and special opportunities to gather throughout the year.

We seek to help you become better connected to your family.

Let's face it, raising a family is difficult. Our strong children, youth and adult education ministries offer support to parents, and our developing family ministry will carry that support even further.

We seek to help you become connected to ministry.

You were created for a purpose. God has given spiritual gifts to each Christian so that he or she can be effective in ministry to the church and to the world. Our Equipping Ministry is here to help you discover and apply your God-given gifts as you live out His purpose for you.

We seek to help you become connected to Christ's cause.

Jesus came to seek and to save the lost. He now does that through us, the church. Relying on the power of His Spirit and the unity of His people, we make it our purpose to share this good news with others in our community in both word and deed – speaking the gospel and living it through acts of Christ-like compassion. The Christian faith is a journey. Even though we are at different places along the road, we are called to make this trip together – supporting and encouraging each other every step of the way. May God connect you to the people and the resources you need for your journey of faith.

*Joyfully,
Rob Eyman, Pastor*
